

## CAN WE HAVE REVIVAL TODAY?

2 Kings 17:15-18

They \_\_\_\_\_ from God  
They loved themselves  
They made sure they had nice houses, clothes, camels, jobs  
They acted like everyone else  
The culture \_\_\_\_\_ them  
They became the source of all that God hates  
They sacrificed their families to meet their goals  
They killed their children in order to have a nice lifestyle today  
They intentionally did things that were counter to what God commanded  
They became the suppliers and enablers of all God hates

2 Chronicles 30:25-26

Worship restored  
Not enough priests  
Life changed  
Giving increased so much that \_\_\_\_\_ storehouses had to be built to store what was being given to the Lord and His work  
God's people returned to Him, God blessed  
When the enemy came, God defended the people

2 Chronicles 32:21

2 Chronicles 33:9

2 Chronicles 34:14-19

Why do we teach chapter-by-chapter verse-by-verse?

Because \_\_\_\_\_ is in His Word  
We see \_\_\_\_\_ in the Word of God  
We find out how we should live and we learn how we may be missing the mark and may need to be corrected

The problem with the people in Josiah's Judah, the culture pushed by Manasseh had become dominate  
They had missed their 2 Chronicles 7:14 opportunity  
They had missed their Nineveh moment  
When Hezekiah made an oath to God, the people joined in, Josiah did the same....alone

2 Kings 23:26-27

Jeremiah 7:16

Revelation 3:15-19

Jesus invites us to \_\_\_\_\_  
By the way, this is for the Church, if you don't know Jesus personally, He invites you to believe  
"...that if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved,"  
Romans 10:9 (NASB95)  
...*"if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."*  
2 Chronicles 7:14 (NKJV)

Why no Revival? ...It is \_\_\_\_\_

Our opportunity to resolve this is \_\_\_\_\_
